NORTH AMERICAN BICYCLE RACING ASSOCIATION ("NABRA")

LETTER OF AGREEMENT

I, _____, promoter of _____ (event) scheduled on _____ (date) hereby contract with North American Bicycle Racing Association ("NABRA") to facilitate the purchase of liability insurance and/or provide equipment and other service for the above event. In accordance with this agreement I accept the following terms:

1. If this is an event which I promoted the prior year, I agree to prepay the processing fees as designated on the Request for Insurance. If this is an event which I did not promote the prior year(s) I will pay an additional deposit of \$200.00, which will be applied to the fees listed below.
2. NABRA purchases liability insurance coverage. I agree to pay NABRA \$2.25 per participant per day rate in exchange for this coverage. I will pay this fee here: <https://www2.obra.org/product/nabra-post-race-fees/>
3. NABRA memberships are currently optional. Annual membership may be demonstrated by presenting an annual NABRA number, a NABRA membership card, online receipt, paper receipt, e-mail from the executive director or membership coordinator or by listing on the NABRA membership list which can be provided to the race organizer. Participants who are not members or who do not have proof of membership may purchase a membership at the event, either at an annual rate or a single event membership. A stage race will be considered a single event, and omniums and any other races where riders are not required to participate in every race are considered multiple events. Application forms for membership purchase may be provided by NABRA. I will be responsible for selling these memberships and collecting membership fees. Membership will allow racers to participate in the NABRA BAR and championships.
4. I will require all participants to sign a release using wording provided by NABRA in the form provided by NABRA. It is my responsibility to print enough releases for racers. I will retain these releases for a minimum of 5 years and will produce this release in the event of a claim. I understand that insurance coverage is dependent on my ability to produce this release. Promoters that use NABRA registration do not need to have participants sign releases. If I am to use electronic releases they must first be approved by the Executive Director. Copies of releases must be submitted with final paperwork in either paper or electronic form.
5. The per day fees will be payable to NABRA immediately following the event. These fees, in addition to membership fees and membership applications and race results will be delivered to NABRA within 5 days following completion of the event. A late fee of \$50.00 will be assessed for payments made after 10 days following the event. This fee will increase to \$150 if later than 30 days after the event. If a \$200 deposit was made under paragraph 1, it will be returned upon payment of all fees (including any late fees) in full.
6. I understand that NABRA is not responsible for the success or failure of my event and does not guarantee such success or that my event will be the exclusive event on the NABRA calendar for the day(s) my event is scheduled to be held. Furthermore, I understand that NABRA does not guarantee that all equipment will be available or will be complete and in working order, as the availability and functionality of equipment is dependent on the existence of other events and whether or not equipment was returned to NABRA in working order by other promoters. I understand that any necessary personnel such as officials, corner marshals, registration, medical, etc., are not covered by this agreement.

7. I agree to return NABRA equipment by 10 AM the day following the event **unless prior arrangements have been made** with the Equipment Manager. If I do not return it within the specified time without authorization, I agree to pay a penalty of \$50 a day. I understand I will be unable to promote or participate in any races until those fees are paid.

8. If I am renting the truck I certify that the driver has a valid driver's license and that the driver will be older than 21 years of age. If a driver is later found to be under the age of 21, I agree that I will not be permitted to promote a race for a period of 365 days following the event.

9. I certify that I have or will have obtained all necessary permits and permission from relevant landowners/governmental agencies. I certify that I have notified local law enforcement and applicable EMS agencies.

10. I will make or have already made arrangements for first aid coverage of the event. The first aid provider will have adequate supplies and adequate skills to provide first aid for injuries commonly seen at bicycle races.
